According to UIM official announcement, TRK will issue information 60 days prior to the event on expected foreign nationals entry regulations to Norway according to Norway's Health Authorities (NHA) rules and prognosis for the Covid-19 situation at that time.

At present, the OMIKRON variant is the dominating but an offensive vaccination strategy from the Government (80% vaccinated 2 doses – 50% 3 doses) is keeping the hospital admitting numbers at a low rate.
