

ADVANCE PROGRAM

Östhammars Segelsällskap is very proud to welcome you to Östhammar and to the European Championships for Circuit class GT15 and Offshore class 3J.

Östhammar is a small town on the east coast approx. 140 km north of Stockholm. In Östhammar you'll find most facilities as pharmacy, supermarkets, gas stations and most things you need. The place close to the pit by the water includes restaurants, outside gym, soccer playground, beach volleyball and children's playground.

The first circuit races in Östhammar were held in the 50's. After a long break the races came back in 2006 and in 2009 the very first World Championship for GT15 was held here.

Here's a very nice short film from the Worlds in Östhammar in 2012:
