15. Insurance regulations

The insurance covers for injuries of the drivers affiliated to FIM shall be borne by FIM itself. All foreign drivers must personally provide their insurance covers for their personal injuries (AD&D) and are not bound to show their relevant policies to FIM.

The insurance covers of the race guaranteed by FIM, include also civil responsibility (R.C.) (insurance covers as a consequence of damages caused to third parties during trials and races with the exception of damages among boats) and R.C. for operations regarding "haulage and launch" on condition that all the persons involved in the above mentioned operations are formally organized by the Organizers into the signature of tasks letters or work services contracts with description of the entrusted commitments.

Therefore, in the case of in Italy event, the only entity authorized to obtain liability insurance coverage for traffic damages arising from the event, as required by reference legislation in the insurance sector, is the organizer of the event. Any personal liability policies taken out by individual drivers cannot, under any circumstances, be considered valid for covering the traffic risk of events participants.

So, we confirm that on the race field, during administrative control, all the foreign drivers have to buy the civil responsibility cover (RC) extension toward third parties at the cost of euro 90,00.= . NO OTHER ONE PERSONAL LIABILITY POLICIES FOT THIRD PARTIES CAN BE CONSIDERED VALID.

The foreign drivers (with foreign licence) competing in the Italian Championship, must correspond to the FIM Staff at the Race Secretariat, an insurance expense reimbursement as a guarantee of the R.C. cover towards third parties. The drivers will receive an undersigned receipt. All the drivers (Italians and foreigners) during the administrative verifications, must sign the "Race Organizer Liability Form", under penalty of no participation to the competition.

17. Organizer additional regulations

Lifting bridges and lifting straps.

All boats must be equipped with a minimum of three specially designed lifting “points” to accommodate the lifting of the fully equipped and fueled boat.

Each vessel must be equipped with special lifting straps (so-called suspended ones) - one for each lifting point - approved and certified. The maximum operating load of each band must be equal to or greater than the total weight of the boat.

The suspended items must be in perfect condition of use and conservation, i.e. suspended items whose marking is missing, illegible (totally or partially) or which present knots, abrasions, rubbing marks, cuts of any size will not be admitted.

The lifting straps must be of adequate length in relation to the rules of use and must be replaced after 5 years from the production date shown on the plate.

For the connection of the lifting straps to the lifting points of the boat, the use of “carabiner” type hooks is expressly prohibited and only the use of adequately sized and calibrated “shackle with screw pin” type hooks is permitted (vgs figure).

A minimum of two team members must manage the launching or hauling operations and it will be the responsibility of the team members to attach the lifting straps to their boat and weighing device.

The Team will be responsible for any damage caused by suspension failure or incorrect connection to the boat or crane.

Upon arrival at the hauling and launching area, the boats must be ready for launching (equipped with ropes, fenders, etc.) otherwise the launch itself may be refused.

It is forbidden for any person to stay or climb on the boat during hauling and launching operations. The use of a protective helmet on the piers is strongly recommended.

Awards ceremony

The awards ceremony takes place after the last heat of the event on Sunday 14 JUNE 2026 inside the Corporate Headquarters.

The awarded pilots must present themselves at the awards ceremony wearing the pilot suit.

Drivers registered for the Hydro GP: Each participating driver is required to have the flag of the nation represented to display in their Team tent area and the presentation of the prizes on the podium as well as the national anthem represented on CD support.

- Disrespectful behavior

Any disrespectful behavior by a driver or a member of the Team towards an organizing member or race commissioner will be penalized by the blue card (UIM 202.03.01). In the most serious cases: disqualification.

In the event of a violation, the organizer reserves the right to expel the persons concerned and to disqualify the pilot of the team concerned. This applies to all regulations of this forward-program and all subsequent additional regulations

- Paddocks:

- Electricity. For each Team there is free electricity in the Paddock Area (UIM 106.01)
- The Paddock area will be closed, controlled and available only for the technical staff of teams, drivers and equipment. The technical preparation of the boats must be carried out in the Paddock area. Each driver/team will have 1 area of 6 x 4 meters available for the team tents and a space of approximately 2.50 x 7.00 meters for a van or workshop/trailer or workshop/truck/special vehicle for technical use only. This area will be assigned and indicated by the organization. A reserved parking area will be available to the teams and the organization near the Paddock area. The use of open flames, gas cylinders and smoking inside the Paddock is strictly prohibited. The entry and stay inside the paddock of: cars, caravans, campers and vans used solely for catering to drivers, mechanics and companions is prohibited for the entire duration of the event. The list of hotels and B&Bs is attached.

Each boat must have a fire extinguisher within its area. Pets are not allowed in the Paddock.

The Paddock will be open and controlled from 12-14 JUNE 2026. The Paddock will be closed from 8.00pm to 7.00am and access will be prohibited without permission from a Race Commissioner. Paddock access passes will be given to the Teams at the race secretariat . Max. 5 passes for each Team.

All team members and drivers must wear the appropriate team uniforms and closed shoes at all times in the Paddock area and on the Starting and Launching Pier. Any further rules and requests relating to the Paddock area and its use will be communicated at the driver/team registration or at the driver meeting. Any violation of the Paddock area rules will be subject to fines. Commissioner Alaggi will be solely responsible for monitoring the rules of the Paddock area

- Responsibility:

Participation in events occurs at everyone's risk. The competitor, the pilot and his team/companions and any person in charge of organizing the competition, for the simple reason of being admitted and participating in the competition, recognize and declare to indemnify

the organization from any responsibility for any accidents or damage that may occur during the competition to themselves, to property and to third parties, regardless of the development of the practices and races and recognize the Italian Motorboat Federation (FIM) as the only body to settle any dispute.
