Help us protect the clean athlete and the integrity of sport.

Every time someone steps forward with information on doping, we move closer to a clean and fair playing field for all.

We know that coming forward with sensitive information is a big decision – one that you would not enter into lightly. We applaud the courage and conviction required to raise concerns about cheating.

You have chosen to put your trust in us and we take this very seriously. This website is a secure way for you to report activity that you think goes against anti-doping rules.

Whether you decide to open a secure mailbox, or provide us with your contact information, **everything you tell us is strictly confidential.**
